| Pos. | Codice / Code | Descrizione / Description                                      | N° |
|------|---------------|----------------------------------------------------------------|----|
| 1    | 54000300404   | Tappo valvola di ritegno / Check valve cap                     | 1  |
| 2    | 11600901906   | Rondella rame 20x24x1,5 / Copper washer 20x24x1,5              | 1  |
| 3    | 51200400135   | Molla / Spring                                                 | 1  |
| 4    | 51000900072   | Sfera 5/16" / Ball 5/16"                                       | 1  |
| 5    | 50002000032   | Gruppo corpo guida sfera / Ball guide casing                   | 1  |
| 6    | 54300100017   | Perno di tenuta e guida molla / Holding pin and spring guide   | 1  |
| 7    | 51900300463   | Corpo collegamento motore-pompa / Motor pump connection casing | 1  |
| 8    | 11600900069   | Rondella alluminio 10x16x1 / Aluminium washer 10x16x1          | 1  |
| 9    | 11500600108   | Tappo in acciaio / Steel plug                                  | 1  |
| 10   | 51200501071   | Molla / Spring                                                 | 1  |
| 11   | 50400000172   | Grano di registro / Register screw                             | 1  |
| 12   | 11600900309   | Rondella alluminio 17x23x1,5 / Aluminium washer 17x23x1,5      | 1  |
| 13   | 54000600045   | Tappo ch.22 / Screw cap ch.22                                  | 1  |
| 14   | 50402010087   | Grano conico / Tapered dowel                                   | 1  |
| 15   | 54100200010   | Tubo scarico / Tube                                            | 1  |
| 16   | 50600400254   | Guarnizione OR 190 6400 (5.34 X 101.00) / O-RING 190 6400      | 1  |
| 17   | 11600900158   | Rondella alluminio 13,5x18x1 / Aluminium washer 13,5x18x1      | 1  |
| 18   | 11600600231   | Nipplo doppio 1/4" - 1/2" / 1/4"-1/2"Nipple                    | 1  |
| 19   | 14901520095   | Cartuccia elettrovalvola / Cartridge solenoid valve            | 1  |

|             |                                                     |
|-------------|-----------------------------------------------------|
| 14917540123 | Bobina con connettore 12V / Coil with connector 12V |
| 14917540249 | Bobina con connettore 24V / Coil with connector 24V |
| 13104500072 | Connettore / Connector                              |

**Da ordinare separatamente**  
To be ordered separately

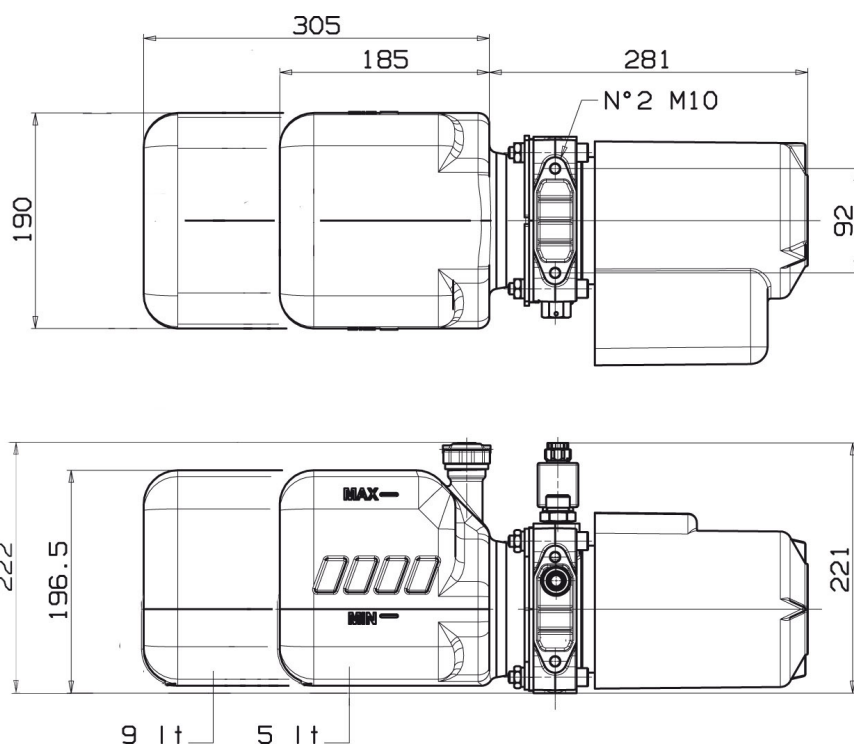

**Il serbatoio include:**

- Tappo sfiato
- Guarnizione
- Tubo aspirazione E.P.K.

**The tank included:**

- Breather cap
- Gasket
- E.P.K. suction pipe

**Ingombro / Dimensions**

**Dati tecnici / Technical features**
